What we do	
How does Bank of Guam protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.
How does Bank of Guam collect my personal information?	We collect your personal information, for example, when you <ul style="list-style-type: none"> • apply for a loan or open an account • give us your contact information or use your credit or debit card • make deposits or withdrawals from your account We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.
Why can't I limit all sharing?	Federal law gives you the right to limit only <ul style="list-style-type: none"> • sharing for affiliates' everyday business purposes - information about your creditworthiness • affiliates' from using your information to market to you • sharing for nonaffiliates to market to you State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.
What happens when I limit sharing for an account I hold jointly with someone else?	Your choices will apply to everyone on your account - unless you tell us otherwise.
