Compensation Discussion and Analysis

This section addresses the compensation programs, philosophy and objectives of the Company, including the process for making compensation decisions, the role of management in the design of such programs, and its 2021 executive compensation components. This section also addresses the factors most relevant to understanding the Company’s compensation programs and what they are designed to reward, including the essential elements of compensation, the reasons for determining payment of each element of compensation, and how each compensation element fits into the Company’s overall compensation objectives and affects decisions regarding other compensation elements. Because the size and complexity of the Company and the Bank have not significantly increased, the executive officers receive no compensation to manage the affairs of the Company. All compensation is accomplished at the Bank level through the Board of Directors of the Bank.

Executive Summary

The Compensation Committee establishes and administers the compensation and benefit programs for the President and Chief Executive Officer and the Executive Vice President and Chief Operating Officer. The President and Chief Executive Officer establish the compensation and benefit programs for the other named executive officers. The Compensation Committee may make recommendations relative to the compensation and benefits of the executive officers to the Bank Board. The Committee, as well as the President and Chief Executive Officer for the other named executive officers, carefully considers the components of the executive compensation programs to attract and retain high quality executive officers and to incent the behavior of executive officers to create shareholder value.

The Compensation Committee’s and the President and Chief Executive Officer’s (for the other named executive officers) philosophy, practices and policies have been developed over a number of years and have not historically been subject to sweeping, material changes. Unlike other insured financial institutions physically located in the United States, the Company and Bank are uniquely geographically situated thousands of miles from the mainland United States. Because of its location, it cannot readily draw from the available pool of experienced officers that typically is available to mainland banks to manage the affairs of the Bank.

Philosophy

This Board believes that its executive compensation program should be designed and administered to provide a competitive compensation program that will enable it to attract, motivate, reward and retain executives who have the skills, education, experience and capabilities required to discharge their duties in a competent, efficient and professional manner. The Bank Board thinks that the most effective compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic

goals by the Bank, and which aligns executives' interests with those of the shareholder by rewarding performance above established goals, with the ultimate objective of improving shareholder value without rewarding short-term risk-taking.

Process for Making Compensation Decisions

The Compensation Committee has the responsibility for establishing, implementing and continually monitoring adherence with the Bank's compensation philosophy. The Compensation Committee ensures that the total compensation paid to the Chairman, President and Chief Executive Officer (the "CEO") and the Executive Vice President and Chief Operating Officer (the "COO") is fair, reasonable and competitive. Generally, the types of compensation and benefits provided to them are similar to other executive officers. The Compensation Committee is also responsible for the review and approval of corporate goals and objectives relevant to the compensation, including the incentive bonus, of the Bank's Chairman, CEO and COO, to evaluate the performance of the Chairman, CEO and COO in light of the goals and objectives, and to determine and approve the Chairman, CEO's and COO's compensation levels based on this evaluation.

The Compensation Committee also periodically reviews the compensation levels of the Board of Directors. In its review, the Compensation Committee looks to ensure that the compensation is fair, reasonably competitive and commensurate to the amount of work required both from the individual directors as well as from the Board in the aggregate.

2021 Executive Compensation Components

To implement the compensation objectives of the Board, the Bank has entered into employment agreements with its named executive officers that it believes reward performance as measured against established goals. The Board believes that these agreements provide fair compensation for the named executives and enable the Bank to better retain key executives to manage its affairs and to comply with the numerous Guam, Commonwealth of the Northern Mariana Islands, Republic of the Marshall Islands, Federated States of Micronesia, Republic of Palau, California and federal laws and regulations in order to ensure the safety and soundness of the funds entrusted to it for safekeeping.

For the fiscal year ended December 31, 2021, the principal components of compensation under each named executive officer's employment agreements were as follows:

Base Salary. The Bank provides named executive officers and other employees with a base salary pursuant to their employment agreements to compensate them for services rendered during the fiscal year. Base salary ranges for each named executive officer are determined based on position and responsibility. The base salary is adjusted annually to reflect the increase, if any, in the cost-of-living by adding to the base salary an amount obtained by multiplying the base salary by the percentage of which the level of the Consumer Price Index for the United States has increased over its level as of the date of commencement of the term of the employment agreement (together with base salary, the "Adjusted Base Salary").

Incentive Bonus. The Bank provides an incentive-based cash compensation plan for the named executive officers tied to meeting certain objectives as measured by return on assets, return on equity, and level of adversely classified assets or the Bank's efficiency performance. See "*Employment Agreements*" for a summary explanation of the incentive bonus.

The incentive bonus varies with each named executive officer and is set at a maximum amount. The set amount is subject to adjustments and paid quarterly in capital stock or in cash, or combination, at the option of the named executive officer. The maximum amount is subject to review by the Compensation Committee of the Bank annually.

Adjustments To Bonus. On an annual basis, the Bank Board reviews the prior year's budget and strategic plan to adjust on a quarterly basis the incentive bonus of the executive officer as follows:

- a. If the then current Return on Equity (ROE) of the Bank is 5 basis points or more below the preceding three-year average ROE of the Bank, then the incentive bonus shall be reduced by five percent (5%); if such ROE is 10 basis points or more below the preceding three-year average ROE of the Bank, then the incentive bonus shall be reduced by fifteen percent (15%); if such ROE is 20 basis points or more below the preceding three-year average ROE of the Bank, then the incentive bonus shall be reduced by twenty-five percent (25%);
- b. If the then current Return on Assets (ROA) of the Bank is 25 basis points or more below the Bank's peer group as published in the Federal Deposit Insurance Corporation's (FDIC) Uniform Bank Performance Report, then the incentive bonus shall be reduced by five percent (5%); if such ROA is 30 basis points or more below peer group, then the incentive bonus shall be reduced by fifteen percent (15%); if such ROA is 40 basis points or more below peer group, then the incentive bonus shall be reduced by twenty-five percent (25%);

- c. If the ratio of the then current Total Adversely Classified Assets of the Bank to Tier 1 Capital and Allowance for Loan and Lease Losses is greater than or equal to twenty-six percent (26%), then the Incentive Bonus shall be reduced by five percent (5%); if such ratio is greater than or equal to thirty-five percent (35%), then the incentive bonus shall be reduced by fifteen percent (15%); if such ratio is greater than or equal to forty percent (40%), then the incentive bonus shall be reduced by twenty-five percent (25%). If, however, the ratio of the then current Total Adversely Classified Items to Tier 1 Capital and Allowance for Loan Lease Losses is eighteen percent (18%) and below, then the incentive bonus shall be increased by twelve and a half percent (12.5%); if such ratio is twenty percent (20%) and below, then an increase of 10%, if such ratio is twenty three percent (23%) and below, an increase of 5%;
- d. If the Efficiency Ratio of the Bank is sixty-eight percent (68%) or lower, the incentive bonus shall be increased by ten percent (10%); if such ratio is sixty-nine percent (69%), the incentive bonus shall be increased by five percent (5%); if such ratio is seventy percent (70%); no adjustment will be made; if such ratio is seventy-one percent (71%), the incentive bonus shall be reduced by five percent (5%); if such ratio is seventy-two percent (72%), the incentive bonus shall be reduced by fifteen percent (15%); if such ratio is seventy-three percent (73%) or more, the incentive bonus shall be reduced by 25%.

For purposes of these calculations, the ROA, ROE, Total Adversely Classified Items to Tier 1 Capital, Allowance for Loan and Lease Losses and Efficiency Ratio are derived from any report of management submitted to the Board of Directors at the Board meeting immediately preceding the date of any adjustment. If any dispute arises as to the calculations of any of such figures, the Compensation Committee, subject to Board approval, makes the sole determination of such figures using whatever resources the Compensation Committee shall deem reasonably necessary.

Perquisites and Other Personal Benefits. The Bank provides named executive officers with perquisites and other personal benefits that the Board believes are reasonable and consistent with its overall compensation program to better enable the Bank to attract and retain superior employees for key positions. The Compensation Committee periodically reviews the levels of perquisites and other personal benefits provided to the named executive officers.

Based on the specific provisions of the employment agreements of the named executive officers, some of the perquisites and personal benefits include the use of automobiles, term life insurance coverage, group life, health and dental coverage, certain memberships and personal benefits. Information about the details of the 2021 perquisites and other benefits for fiscal year ended December 31, 2021 provided to the named executive officers is found in the Summary Compensation Table below.

Employee's 401(k) Retirement Savings Plan

The Bank has an employee benefit plan called the Bank of Guam Employee 401(k) Retirement Savings Plan (the "401(k) Plan"). For 2021, employees who met certain eligibility requirements based on length and amount of service could voluntarily contribute up to a maximum of \$19,500 to the 401(k) Plan. Employees who are 50 or older could elect to defer an additional \$6,500 on top of the \$19,500 for a maximum contribution of \$26,000 per year. The Bank made contributions equal to 100% of employee's salary deferrals that did not exceed 1% of employee's compensation, plus 50% of employee's salary deferrals that exceeded 1% but were less than 5% of employee's compensation. Employees' rights to the Bank's contribution vest at the rate of 20% per annum, with 100% vesting after two years participation in the 401(k) Plan, or upon death or permanent disability. Employees may direct the investment of their 401(k) Plan accounts as set forth in the 401(k) Plan. Payments at retirement are based on the amount each employee contributed each year, the amount matched by the Bank and the performance success of the investments chosen by the employee. All eligible employees were automatically enrolled in the 401(k) Plan unless the employee actively opted out of participation in the 401(k) Plan. Joaquin P. L.G. Cook, Maria Eugenia H. Leon Guerrero and William D. Leon Guerrero were eligible to participate in the 401(k) Plan and did not opt out of the 401(k) Plan.

Employee Service Award Plan

The Company maintains an Employee Stock Service Award Plan that rewards all employees of the Company and the Bank for their time and service. After employment for five consecutive years, the employee is awarded 50 shares of the Company's common stock. Shares are again awarded every fifth consecutive year thereafter in increasing increments of shares as follows: 100 shares after 10 years, 300 shares after 15 years, 500 shares after 20 years, 750 shares after 25 years, 1,200 after 30 years, and 2,000 shares after 35 years. On January 1, 2012, this Plan was amended to provide the employee the option to choose the same amount of Company shares or cash up to the equivalent of such Company shares. In May 2015, the Plan was further amended to include 2,500 shares after 40 years of service. William D. Leon Guerrero received 2,000 shares valued at \$10.35 per share for 35 years of service in 2021. The fair market value of the shares issued under this plan is determined on a quarterly basis by the Stock Purchase Plan Committee. The Committee compiles all reported stock sales, including over the counter transactions, for the quarter and calculates an average price per share. The Committee adopts the average price per share as the fair market value.

Supplemental Executive Retirement Plans

In 2013, the Bank Board approved entry into supplemental executive retirement agreements ("SERPs") with the named executive officers. The SERPs were implemented to help build and retain key Bank employees at the level of Vice President and up, including the named executive officers. Under the terms of the plan, differing death, disability, change in control, and post-employment/retirement benefits are provided to each of the key employees. Pursuant to the plan, agreements were entered into between the Bank and each of the key employees including the named executive officers. By defining and increasing, over each employee's term of employment, the amounts each employee will receive upon the occurrence of certain specified events, including retirement on or after 10 years after the SERP was entered, each employee has been provided what the Board believes to be a reasonable incentive to remain with the Bank until retirement. While several provisions have been included which will serve to reduce the overall amounts payable, the agreements are expected to provide a maximum annual benefit payment at retirement for a period of 15 years in the amount of \$150,000 to Joaquin P. L.G. Cook and \$100,000 each to William D. Leon Guerrero and Maria Eugenia H. Leon Guerrero.

In the event a participant terminates employment as a result of an early voluntary termination, change in control, early involuntary termination, or disability, his or her monthly payments or lump sum amounts will be based on annual benefit levels determined in accordance with a formula set forth in each participant's SERP that results in benefit amounts that increase over the participant's period of continued service, but not above the normal retirement benefit. No benefits are payable to the named executive officers if the named executive officer is terminated for cause.

In the event of the named executive's early voluntary retirement, the Bank is obligated to pay out the annual benefit multiplied by 0% if voluntary retirement occurs within the first five years, 50% if within the sixth year, 60% if within the seventh year, 70% if within the eighth year, 80% if within the ninth year, 90% within the tenth year and 100% after 10 years. If retirement occurred the vested accrual balances as of December 31, 2021 were: \$811,092 for Joaquin P. L.G. Cook, \$1,147,583 for William D. Leon Guerrero and \$524,628 for Maria Eugenia Leon Guerrero.

In the event of a change in control, the Bank is obligated to pay within 60 days of separation 100% of the accrual balance, as defined in the SERP agreement. If the change in control occurred on December 31, 2021, the amounts to be paid were: \$756,330 to Joaquin P. L.G. Cook and \$449,549 to Maria Eugenia H. Leon Guerrero. There was no change in control amounts for William D. Leon Guerrero.

In the event of a named executive officer's disability, the Bank is obligated to pay in 180 monthly payments 100% of the accrual balance, as defined in the SERP agreement. The agreements are expected to begin paying out at the executive's normal retirement date when defined in the SERP agreement on the first day of the month following determination of disability. The annual benefit payment under this scenario is as follows: \$68,760 to Joaquin P. L.G. Cook and \$41,603 to Maria Eugenia H. Leon Guerrero. There was no disability amount for William D. Leon Guerrero.

In the event of a named executive officer's death, the Bank is obligated to pay within 60 days of the participant's death 100% of the accrual balance, as defined in the SERP agreement. For example, if the death occurred on December 31, 2021, the amounts paid would be: \$756,330 to Joaquin P. L.G. Cook, \$449,549 to Maria Eugenia H. Leon Guerrero, and \$1,089,932 to William D. Leon Guerrero.

To comply with Internal Revenue Code Section 409A, generally, named executive officers are not eligible to commence receipt of benefits until six months after termination of employment.

Survivor Income Plan

The Bank Board also approved entry into a survivor income plan ("SIP") for the named executive officers of the Bank in 2021. The SIP was implemented to help recruit, reward and retain key executives. Upon a participating executive officer's death while employed by the Bank, the Bank will pay a death benefit to the executive officer's beneficiary in the amount of \$1,060,606.

Employee Stock Purchase Plan

The Bank of Guam 2011 Employee Stock Purchase Plan (the "2011 Plan") was adopted by the Bank's Board of Directors and approved by the Bank's shareholders in May 2, 2011, and subsequently adopted by the Company after it organized in 2011. The 2011 Plan is open to all employees of the Company and the Bank who have met certain eligibility requirements.

Under the 2011 Plan, eligible employees can purchase, through payroll deductions, shares of common stock at a discount. The right to purchase stock is granted to eligible employees during a period of time that is established from time to time by the Board of Directors of the Company. Eligible employees cannot accrue the right to purchase more than \$25,000 worth of stock, as valued at the beginning of each offer period. Eligible employees also may not purchase more than 1,500 shares of stock under any one offer period. The shares are purchased at 85% of the value of the stock price on the enrollment date or purchase date, whichever is less.

Outstanding Equity Awards at Fiscal Year-End

The named executive officers had no outstanding equity awards as of December 31, 2021.

Employment Agreements

The Bank has entered into employment agreements with Joaquin P. L.G. Cook and Maria Eugenia H. Leon Guerrero and, prior to his retirement on March 31, 2022, with William D. Leon Guerrero. The initial terms are set forth below and the agreements are subject to renegotiation upon expiration. Each agreement specifies the compensation, benefits, duties and responsibilities of each named executive officer during the term of his employment.

Chief Executive Officer. On March 20, 2019, Joaquin P.L.G. Cook, in connection with his appointment as the Company's and the Bank's President and Chief Executive Officer, entered into an Employment Agreement, effective April 1, 2019, with the Bank, which expires April 30, 2022 (the "Cook Employment Agreement"). The Cook Employment Agreement provides for, among other things, an annual base salary of \$260,000, with annual CPI adjustments. It also provides for an annual incentive bonus opportunity equal to 2% of the net profits after taxes of the Bank or \$250,000 per year, whichever is less. The incentive bonus is to be reduced by 5% to 100% if the Bank does not meet certain objectives, which are set forth in the employment agreement, as measured by return on assets, return on equity, level of adversely classified assets to Tier 1 capital, and the Bank's efficiency ratio. The incentive bonus may also increase by 5% to 22.5% if the Bank exceeds certain objectives, which are set forth in the employment agreement, as measured by level of adversely classified assets to Tier 1 capital, and the Bank's efficiency ratio. The incentive bonus is further subject to a minimum payment of \$50,000 per year. The Employment Agreement also provides certain personal benefits which include (a) a group term life insurance policy in the amount of \$700,000 maintained by the Bank, (b) use of an automobile and compensation for operating expenses, and (c) the right to participate in the Bank's group health insurance, accident insurance and disability insurance plans. Upon permanent disability, or a termination by the Bank without cause (as defined in the employment agreement) or by Mr. Cook for "Good Reason" (as defined in the employment agreement), Mr. Cook would receive his base salary adjusted for CPI increases, together with all incentive bonuses, for the remainder of the term of his Employment Agreement. The Cook Employment Agreement also provides for a Survivor Income Plan with a death benefit of \$1,060,606 and a SERP which pays out for a period of 15 years the amount of \$150,000 per annum after 10 years from the date of the SERP contract, at the Bank's sole expense and cost.

Executive Vice President and Chief Operating Officer. On March 20, 2019, Maria Eugenia H. Leon Guerrero, in connection with her appointment as the Company's and the Bank's Executive Vice President and Chief Operating Officer, entered into an Employment Agreement, effective April 1, 2019, with the Bank, which expires April 30, 2022 (the "M. Leon Guerrero Employment Agreement"). The M. Leon Guerrero Employment Agreement provides for, among other things, an annual base salary of \$250,000, with annual CPI adjustments. It also provides for an annual incentive bonus opportunity equal to 2% of the net profits after taxes of the Bank or \$250,000 per year, whichever is less. The incentive bonus is to be reduced by 5% to 100% if the Bank does not meet certain objectives, which are set forth in the employment agreement, as measured by return on assets, return on equity, level of adversely classified assets to Tier 1 capital, and the Bank's efficiency ratio. The incentive bonus may also increase by 5% to 22.5% if the Bank exceeds certain objectives, which are set forth in the employment agreement, as measured by level of adversely classified assets to Tier 1 capital, and the Bank's efficiency ratio. The incentive bonus is further subject to a minimum payment of \$50,000 per year. The Employment Agreement also provides certain personal benefits which include (a) a group term life insurance policy in the amount of \$700,000 maintained by the Bank, (b) use of an automobile and compensation for operating expenses, and (c) the right to participate in the Bank's group health insurance, accident insurance and disability insurance plans. Upon permanent disability, or a termination by the Bank without cause (as defined in the employment agreement) or by Ms. M. Leon Guerrero for "Good Reason" (as defined in the employment agreement), Mrs. Leon Guerrero would receive her base salary adjusted for CPI increases, together with all incentive bonuses, for the remainder of the term of her Employment Agreement. The M. Leon Guerrero Employment Agreement also provides for a Survivor Income Plan with a death benefit of \$1,060,606 and a SERP which pays out for a period of 15 years the amount of \$100,000 per annum after 10 years from the date of the SERP contract, at the Bank's sole expense and cost.

Chairman. Prior to his retirement on March 31, 2022, William D. Leon Guerrero had entered into an Employment Agreement with the Bank, effective April 1, 2019 and with an expiration date of March 31, 2022 (the "W. Leon Guerrero Employment Agreement"). The W. Leon Guerrero Employment Agreement provided for, among other things, the payment of an annual base salary of \$300,000 with annual CPI adjustments. It also provided for an annual incentive bonus opportunity equal to 2% of the net profits after taxes of the Bank or \$250,000 per year, whichever was less. The incentive bonus was to be reduced by 5% to 100% if the Bank did not meet certain objectives, which were set forth in the employment agreement, as measured by return on assets, return on equity, level of adversely classified assets to Tier 1 capital, and the Bank's efficiency ratio. The incentive bonus could also increase by 5% to 22.5% if the Bank exceeded certain objectives, which were set forth in the employment agreement, as measured by level of adversely classified assets to Tier 1 capital, and the Bank's efficiency ratio. The incentive bonus was further subject to a minimum payment of \$50,000 per year. The W. Leon Guerrero Employment Agreement also provided for certain other personal benefits including (a) a group term life insurance policy in the amount of \$700,000 maintained by the Bank, (b) use of an automobile and compensation for operating expenses, and (c) the right to participate in the Bank's group health insurance, accident insurance and disability insurance plans. Upon disability, or a termination by the Bank without cause (as defined in the employment agreement) or by Mr. W. Leon Guerrero for "Good Reason" (as defined in the employment agreement), Mr. W. Leon Guerrero would have received his base salary, adjusted for the CPI increases, together with all incentive bonuses for the remainder of the term of the Employment Agreement. The W. Leon Guerrero Employment Agreement also provided a Survivor Income Plan with a death benefit of \$1,060,606 and a SERP which pays out for a period of 15 years the amount of \$100,000 per annum after 10 years from the date of the SERP contract, at the Bank's sole expense and cost. Following his retirement, the benefits Mr. W. Leon Guerrero received as an executive of the Company and the Bank ceased, and he began receiving all Board and Committee fees that are normally afforded nonemployee directors of the Company and the Bank.

ITEM 13. Certain Relationships and Related Transactions and Director Independence

Director Independence

For the fiscal year 2021, the Board of Directors determined that William D. Leon Guerrero, our Chairman and former Executive Vice President and Chief Operating Officer; Joaquin P. L.G. Cook, President and Chief Executive Officer; Maria Eugenia H. Leon Guerrero, Executive Vice President and Chief Operating Officer (see section below under “EXECUTIVE COMPENSATION”); and Keven F. Camacho, Senior Vice President and Chief Sales Officer, would not be considered “independent directors” as that term is defined in the listing standards of the NASDAQ Stock Market and SEC rules and regulations. The Board of Directors has determined that all of the other seven directors are “independent directors” as that term is defined in the listing standards of the NASDAQ Stock Market and SEC rules and regulations. Such independence definition includes a series of objective tests, including that the director is not an employee of the Company and has not engaged in various types of business dealings with the Company. In addition, as further required by the NASDAQ Stock Market listing standards and SEC rules and regulations, the Board of Directors has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. See additional discussion under the section entitled Transactions with Related Persons.

Transactions with Related Persons

The Company’s Code of Ethics provides that personal interests of directors, officers and employees of the Company must not interfere with, or appear to interfere with, the interests of the Company. Directors, officers and employees of the Company may not compete with the Company or disadvantage the Company by taking for personal gain corporate opportunities or engage in any action that creates actual or apparent conflicts of interest with the Company. Any director or officer involved in a transaction with the Company or that has an interest or a relationship that reasonably could be expected to give rise to a conflict of interest must report the matter promptly to the Audit Committee, which is responsible for determining if the particular situation is acceptable.

The Company does not have a formal policy regarding the review, approval or ratification of related party transactions. As transactions are reported, however, the Board considers any related party transactions on a case-by-case basis to determine whether the transaction or arrangement was undertaken in the ordinary course of business and whether the terms of the transaction are no less favorable to the Company than terms that could have been reached with an unrelated party. If any member of the Board is interested in the transaction, that member will recuse himself from the discussion and decision on the transaction.

The following are related party transactions involving the Company’s subsidiary relative to lease agreements that have been in existence for over 10 years for two branches of the Bank. The Company believes that the lease agreements are advantageous and believes the terms are fair and reasonable to the Company. Moreover, the amounts related to such transactions do not exceed the amount allowable under NASDAQ Stock Market Rule 5605(a)(2) and SEC rules and regulations to consider any of the related persons noted below as not being independent.

The Bank is leasing an office space in the Yigo Town Center for its Yigo Branch from Ada’s Trust & Investment Inc. (“Ada’s Trust”). Patricia P. Ada is a director for the Bank and the General Manager, Board Secretary and Assistant Treasurer for Ada’s Trust. The Bank’s ten-year lease for the 4000 square foot Yigo Branch began on December 1, 1996. The Bank has six options to renew the Yigo branch lease. The first three options were for five years each, the fourth option was for three years, and the fifth and sixth option are each one year terms. During fiscal year 2021, the Bank paid Ada’s Trust \$207,440 for rent. During the five, three, and one-year lease terms, respectively, total lease payments should equal approximately \$668,332. The members of the Board other than Ms. Ada determined that these lease transaction are beneficial to the Bank and the Company and the terms of the transactions are fair to the Bank and the Company. Assuming that such terms continue to be fair and competitive, the Bank anticipates that it may exercise one or more of its final options to renew the Yigo branch lease.

The Bank is leasing office space in the Macheche Plaza Shopping Center from Macheche Plaza Development (“Macheche”). Roger P. Crouthamel is a director and Corporate Secretary of the Company and a Managing Partner of and owns a 27% interest in Macheche. The John Kerr Grandchildren’s Trust also has a 15% interest in Macheche. Roger P. Crouthamel is the Trustee for The John Kerr Grandchildren’s Trust. The Bank operated its Dededo Branch in the Macheche Plaza for over 30 years but recently closed it on January 29, 2022 and is converting it into a training center. The Bank’s ten-year lease for the 5,574 square foot began on March 30, 1990. The lease was renegotiated in 1999 to lower the rent and extend the lease for twelve years commencing June 1, 1999. The Bank has two options to renew the lease for five years each. The lease automatically renews for five years provided the Bank does not give the landlord a notice of termination 180 days prior to the termination date. The Bank has not provided the landlord with a notice of termination. During fiscal year 2021, the Bank paid Macheche Development \$178,368 for rent and \$45,484 for common area maintenance. During the ten-year lease term the total lease payments should equal approximately \$1,013,297. The members of the Board other than Mr. Crouthamel determined that this lease transaction is beneficial to the Bank and the Company and the terms of the transaction are fair to the Bank and the Company. The Bank anticipates that it may exercise the options to renew the lease if it determines that such renewal is in the best interest of the Bank.

Additionally, the Bank has had and expects to have banking transactions in the ordinary course of business with many of the directors and executive officers of the Bank (and their associates), on substantially the same terms (including interest rates, collateral and

repayment terms) as those prevailing at the time for comparable loans with persons not related to the Company. During 2021, no loan to any director or executive officer of the Company (or their associates) involved more than the normal risk of collectability or presented other unfavorable features.

Loans made by the Bank to directors and executive officers are subject to the requirements of Regulation O of the Board of Governors of the Federal Reserve System. Regulation O requires, among other things, prior approval of the Board of Directors with any “interested” director not participating and dollar limitations on amounts of certain loans, and prohibits any favorable treatment being extended to any director or executive officer in any of the Bank’s lending matters. To the best knowledge of the Company, Regulation O has been complied with in its entirety.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and
Members of ASC Trust LLC

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheet of ASC Trust LLC and Subsidiaries (the Company) as of December 31, 2021, and the related consolidated statements of income, changes in members' equity, and cash flows for the year ended December 31, 2021, and the related notes and schedules (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2021, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit, we are required to obtain an understanding of internal control over financial reporting, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Critical Audit Matters

Critical audit matters are matters arising from the current period audit of the financial statements that were communicated or required to be communicated to the audit committee and that (1) relate to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective, or complex judgments. We determined that there were no critical audit matters.
