Shareholders may request a printed copy of the proxy materials by following the instructions contained in the Notice. To the extent a shareholder has requested a printed copy of the proxy materials, a single printed copy is being delivered to multiple shareholders sharing an address unless the Company has received contrary instructions from one or more of the shareholders. If a shareholder wishes to receive a separate copy or has received multiple copies at one address and would like to receive a single copy in the future, please contact Computershare by phone toll free at (866) 641-4276 or by written request to Computershare C/O: Shareholder Services, 150 Royall Street, Suite 101 Canton, MA 02021.

Who May Vote

You are a "shareholder of record" if you hold our shares directly in your name through our transfer agent, Computershare Trust Company, N.A. If you hold our shares through a broker, bank, financial institution, trust, or other nominee, then you are a holder of our shares in "street name." If you hold your shares in "street name," you must instruct the broker or other nominee about how to vote your shares.

Only those common shareholders of record as of March 28, 2024 (the “Record Date”) will be entitled to notice of, and to vote at, the Annual Meeting. On that date 18,261 shares of common stock were outstanding. The determination of shareholders entitled to vote at the Annual Meeting and the number of votes to which they are entitled was made on the basis of the Company’s records as of the Record Date.

Voting of Proxies

If you are eligible to vote at the Annual Meeting and are a stockholder of record, you may submit your proxy or cast your vote in the following ways:

- *In Person* – You may vote in person at the Annual Meeting. In order to gain admittance to the Annual Meeting, you must present valid government-issued photo identification such as a driver’s license or passport.
- *By Internet*—You can vote by following the instructions provided in the Notice. Proxies submitted via internet must be received by 5:00 p.m., CHamoru Standard Time, on May 22, 2024.
- *By Telephone*—You can vote by telephone by calling 1-800-652-8683 and entering the shareholder control number found on your Notice. Proxies submitted via internet or telephone must be received by 5:00 p.m., CHamoru Standard Time, on May 22, 2024.
- *By Mail*—If you received your proxy materials by mail, you can vote by signing, dating, and mailing the proxy card in the pre-paid enclosed envelope provided with the materials. Your proxy card must be received before the voting polls close at the Annual Meeting.

If your shares are held in “street name” by a broker or other nominee, you should review the voting form used by that firm to determine whether you may provide voting instructions to the broker or other nominee by telephone or the internet.

Revocability of Proxies

Any shareholder who executes and delivers such proxy has the right to revoke it at any time before it is exercised by filing with the Corporate Secretary of the Company an instrument revoking it or by filing a duly executed proxy bearing a later date. In addition, the powers of the proxy holder will be revoked if the person executing the proxy is present at the Annual Meeting and elects to vote in person by advising the chair of the Annual Meeting of such election. Subject to such revocation or suspension, all shares represented by a properly executed proxy received in time for the Annual Meeting and as described above under “*Voting of Proxies*” will be voted by the proxy holders in accordance with the instructions on the proxy.

IF NO INSTRUCTION IS SPECIFIED WITH REGARD TO A MATTER TO BE ACTED UPON, THE SHARES REPRESENTED BY THE PROXY WILL BE VOTED IN ACCORDANCE WITH THE RECOMMENDATIONS OF THE BOARD OF DIRECTORS: “FOR” THE ELECTION OF ALL NOMINEES FOR DIRECTORS LISTED HEREIN, “FOR” THE RATIFICATION OF THE SELECTION OF BAKER TILLY US, LLP AS THE COMPANY’S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2024, AND, IF ANY OTHER BUSINESS IS PROPERLY PRESENTED AT THE ANNUAL MEETING, IN ACCORDANCE WITH THE RECOMMENDATIONS OF THE BOARD OF DIRECTORS.

Quorum and Vote Necessary for Action

The presence in person or by proxy (including internet and telephone voting) of a majority of the outstanding shares of stock entitled to vote at the Annual Meeting will constitute a quorum for the purpose of transacting business at the Annual Meeting. Abstentions, shares as to which voting authority has been withheld from any nominee and “broker non-votes” (as defined below), will be counted for purposes of determining the presence or absence of a quorum.

In accordance with the Company’s Articles of Incorporation and By-Laws, each shareholder of record as of the Record Date is entitled to cast one vote for each share of stock held on each matter presented for a vote at the Annual Meeting. In the case of director elections, each such shareholder is entitled to cast one vote for up to three candidates. For example, a shareholder holding 100 shares may cast 100 or fewer (but not more) votes for each of the three candidates. A shareholder

may not cumulate votes (i.e., you may not cast a number of votes greater than the number of shares that you own for any one candidate). Also, a shareholder may not vote for more than three of the nominees.

Directors are elected by a plurality standard, meaning that the winning candidate need only receive more votes than a competing candidate. If a director runs unopposed, he or she needs only one vote to be elected. The vote of a majority of the shares represented at the Annual Meeting is required for approval of Proposal 2 as well as for any other matter that may properly come before the Annual Meeting.

A broker or nominee holding shares for beneficial owners may vote on certain matters at the Annual Meeting pursuant to discretionary authority or instructions from the beneficial owners. However, with respect to other matters for which the broker or nominee may not have received instructions from the beneficial owners and may not have discretionary voting power under the applicable rule of the stock exchange or other self-regulatory organization to which the broker or nominee is a member, the shares held by the broker or nominee may not be voted. Such unvoted shares are called “broker non-votes.” Such rules of the stock exchange and other self-regulatory organizations generally permit a broker or nominee, in the absence of instructions, to deliver a proxy to vote for routine items, such as the ratification of independent auditors. Consequently, shares held by a broker or nominee will constitute “broker non-votes” regarding non-routine items, such as the election of directors. Broker non-votes will have no effect on the election of directors.

Person Making the Solicitation

This solicitation of proxies is being made by the Board of Directors of the Company. The Company will pay the costs of solicitation, including the expense of preparing, assembling, printing, and mailing this proxy statement and the material used in the solicitation of proxies for the Annual Meeting. It is contemplated that proxies will be solicited principally through the use of the mail, but officers, directors, and employees of the Company and Bank of Guam may solicit proxies personally or by telephone, without receiving special compensation therefor. Although there is no formal agreement to do so, the Company may reimburse banks, brokerage houses, and other custodians, nominees, and fiduciaries for their reasonable expense in forwarding these proxy materials to their principals.

She holds a Bachelor of Arts Degree in International Studies from the University of Washington, and a Master of Business Administration, University of Washington, Foster School of Business. She also graduated from the Pacific Coast Banking School in 2017. Ms. Leon Guerrero is also a director of ASC, LLC, and is involved in various community organizations. She currently serves as Treasurer of the Guam Woman’s Chamber of Commerce, Chairwoman of the Foundation for Public Education and Chairwoman for the Hagåtña Restoration and Development Authority. She is the daughter of the late Anthony A. Leon Guerrero, who was the President and Chief Executive Officer of the Bank from 1992 to 2005. We believe that Ms. M. Leon Guerrero’s banking experience and her extensive knowledge of the Company’s market area, particularly Guam, well qualify her to serve on our Board.

Board Meetings

The Company’s Board of Directors generally meets quarterly but meets more frequently when Company matters requiring Board attention arise from time to time. The Bank’s Board of Directors meets monthly to discuss matters directly related to the Bank’s business and more frequently as additional matters arise. During 2023, the Bank’s Board met 13 times, and the Company’s Board met 6 times, and each of our current directors attended at least 75% of (i) all Board meetings; and (ii) all applicable committee meetings in fiscal year 2023. While we do not have a formal policy regarding director attendance at the Annual Meeting, we strongly encourage each of our directors to attend the Annual Meeting, and all members of the Board attended the 2023 Annual Meeting.

*Denotes a committee at both the Company and the Bank.

All other committees in the table not marked are at the Bank only.

In the number of meetings that are stated as a fraction, the number of Company meetings is the numerator and the number of Bank meetings is the denominator.

The following is a brief description of each Company and Bank committee of the Board of Directors.

Audit Committee: The Audit Committee discharges the Board of Directors' responsibility relating to the oversight of (i) the integrity of the financial statements and internal controls, (ii) the independent auditor's qualifications and independence, (iii) the performance of the independent auditors and internal audit function, and (iv) compliance with legal and regulatory requirements. The Audit Committee, among other things, is responsible for the appointment, compensation and oversight of the independent auditors and review of the financial statements, audit reports, internal controls and internal audit procedures.

The Company has a separately designated standing Audit Committee. Each member of the Audit Committee has been determined to be an independent director, in accordance with the independence standards of the NASDAQ Stock Market and the SEC Rules and Regulations applicable to audit committees, even though we are not subject to those standards.

Compensation Committee: Among other things, the Compensation Committee is appointed by the Board of Directors to (i) review and approve annually the corporate goals and objectives applicable to the compensation of the President and Chief Executive Officer and the Executive Vice President and Chief Operating Officer ("CEO" and "COO"), (ii) evaluate at least annually the CEO's and COO's performance in light of those goals and objectives, and (iii) determine and approve

the CEO's and COO's compensation level based on this evaluation. In determining the long-term incentive component of the CEO's and COO's compensation, the Committee considers the Company's performance and relative shareholder return. The Committee also makes recommendations to the Board regarding the compensation of all other executive officers.

Additionally, the Committee reviews and makes recommendations to the Board regarding incentive compensation plans and equity-based plans, and where appropriate or required, recommends them for approval by the shareholders of the Company, which includes the ability to adopt, amend and terminate such plans. The Committee also has the authority to administer the Company's incentive compensation plans and equity-based plans, including designation of the employees to whom the awards are to be granted, the amount of the award or equity to be granted, and the terms and conditions applicable to each award or grant, subject to the provisions of each plan. The Committee also reviews director compensation for service on the Board and Board committees at least once a year and to recommend any changes to the Board.

The Compensation Committee may delegate to the Director of Human Resources or other appropriate officer to administer, amend and interpret the Company's compensation and benefits programs. Each member of the Compensation Committee has been determined to be an independent director, in accordance with the independence standards of the NASDAQ Stock Market and SEC rules and regulations, even though we are not subject to those standards.

Nominating and Governance Committee: The Nominating and Governance Committee function is (1) to assist the Board, on an annual basis, by identifying individuals qualified to become Board members, and to recommend to the Board the director nominees for the next annual meeting of shareholders; (2) to assist the Board in the event of any vacancy on the Board by identifying individuals qualified to become Board members, and to recommend to the Board qualified individuals to fill any such vacancy; (3) to recommend to the Board, on an annual basis, director nominees for each Board committee; and (4) to establish procedures for the Committee to exercise oversight of the evaluation of the Board.

Each member of the Nominating and Governance Committee has been determined to be an independent director, in accordance with the independence standards of the NASDAQ Stock Market and SEC rules and regulations, even though we are not subject to those standards.

The following is a brief description of the committees of the Bank's Board of Directors.

Loan Committee: The Loan Committee's principal function is to monitor and review the loan portfolio of the Bank and its branches. The Committee approves and confirms, as the case may be, all loans above a certain amount.

Executive Committee: The Executive Committee reviews the administration of the Bank and its branches, including the investment portfolio, loans in excess of \$125,000, personnel policies, and various management, credit and personnel reports.

Trust Committee: The Trust Committee's function is to oversee and direct all activities of the Trust department of the Bank, including approving all accounts opened and closed.

Asset Liability Committee: The Asset Liability Committee's principal function is to monitor and review the Bank's liquidity position (Asset/Liability management) to assure that appropriate resources are in place to meet anticipated funds demands. The Committee also manages rate sensitive assets and liabilities to provide acceptable levels of net interest income and Interest Rate Risk, which is the exposure to the Bank's Earnings and Equity Capital to future interest rate changes.

Director Compensation

The Company and the Bank use cash compensation to attract and retain qualified candidates to serve on its Board of Directors. In setting director compensation, the Company and the Bank considers the significant amount of time that directors expend in fulfilling their duties as well as the skill-level required as a member of the Board of Directors. Presently, with the exception of the Company Stock Purchase Plan Committee, directors of the Company receive no compensation for any Board or Committee meeting attended. Bank directors are paid an attendance fee of \$2,500 for each Bank Board meeting attended. Bank Board members are also paid \$300 for each committee meeting attended, with the Chairman of the Bank Audit and Bank Trust Committee being paid \$350 per meeting.

Survivor Income Plan and Group Policies

In 2011, the Bank Board approved entry into a survivor income plan (“SIP”) for Bank directors meeting certain age requirements. The SIP was implemented to help recruit, reward and retain key executives and directors. Under the SIP, upon a participating director’s death while serving on the Board, the Bank will pay a death benefit to the director’s beneficiary in the amount of \$303,030.

The Bank Board members are also enrolled in the Bank’s group life insurance and some are enrolled in the group health and dental insurance. The group policies are made available on the same basis as all Bank employees.

CORPORATE GOVERNANCE

Director Independence

The Board of Directors has determined that Roger P. Crouthamel, Kamia L.G. Dierking, Mark J. Sablan, Patricia P. Ada, John S. San Agustin and Joseph M. Crisostomo are “independent directors” as that term is defined in the listing standards of the NASDAQ Stock Market and SEC rules and regulations, even though we are not subject to these standards. Such independence definition includes a series of objective tests, including that the director is not an employee of the Company and has not engaged in various types of business dealings with the Company. In addition, the Board of Directors has made a subjective determination as to each independent director that no relationships exist which, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. See additional discussion under the section entitled Transactions with Related Persons.

Nomination of Directors

Our Nominating and Governance Committee is a joint committee of the Company and the Bank’s Boards of Directors. Among its other duties and responsibilities assigned from time to time by the Board, the Committee functions as a nominations committee by identifying individuals who are qualified to become directors and recommending candidates to the Board for selection as nominees for election as directors at our Annual Meetings and for appointment to fill vacancies on our Board.

The Committee’s charter provides that the Committee will recommend individuals who have high personal and professional integrity, who demonstrate ability and judgment, and who, with other members of the Board, will be effective in collectively serving the long-term interests of our shareholders. Candidates also must satisfy applicable requirements of state and federal banking regulators, and the Committee may develop other criteria or minimum qualifications for use in identifying and evaluating candidates. In identifying candidates to be recommended to the Board of Directors, the Committee will consider candidates recommended by shareholders. Shareholders who wish to recommend candidates to the Committee should send their recommendations in writing to:

BankGuam Holding Company
Attention: Roger Crouthamel, Corporate Secretary
P.O. Box BW
Hagåtña, Guam 96932

Each recommendation should be accompanied by the following:

- The full name, address and telephone number of the person making the recommendation, and a statement that the person making the recommendation is a shareholder of record (or, if the person is a beneficial owner of our shares but not a record holder, a statement from the record holder of the shares verifying the number of shares beneficially owned), and a statement as to whether the person making the recommendation has a good faith intention to continue to hold those shares through the date of our next Annual Meeting;
- The full name, address and telephone number of the candidate being recommended, information regarding the candidate’s beneficial ownership of our equity securities and any business or personal relationship between the candidate and the person making the recommendation, and an explanation of the value or benefit the person making the recommendation believes the candidate would provide as a director;

- A statement signed by the candidate that he or she is aware of and consents to being recommended to the Committee and will provide such information as the Committee may request in connection with its evaluation of candidates;
- A description of the candidate’s current principal occupation, business or professional experience, previous employment history, educational background, and any areas of particular expertise; and
- Information about any business or personal relationships between the candidate and any of our customers, suppliers, vendors, competitors, directors or officers, affiliated companies, or other persons with any special interest regarding our bank, and any transactions between the candidate and our Bank.

Shareholder recommendations must be received by December 7, 2024, in order to be included in the Committee's consideration for directors to be elected in the 2025 Annual Meeting of Shareholders.

TRANSACTIONS WITH RELATED PERSONS

The Company's Code of Ethics provides that personal interests of directors, officers and employees of the Company must not interfere with, or appear to interfere with, the interests of the Company. Directors, officers and employees of the Company may not compete with the Company or disadvantage the Company by taking for personal gain corporate opportunities or engage in any action that creates actual or apparent conflicts of interest with the Company. Any director or officer involved in a transaction with the Company or that has an interest or a relationship that reasonably could be expected to give rise to a conflict of interest must report the matter promptly to the Audit Committee, which is responsible for determining if the particular situation is acceptable.

The following are related party transactions involving the Company's subsidiary relative to lease agreements that have been in existence for over 10 years for two branches of the Bank. The Company believes that the lease agreements are advantageous and believes the terms are fair and reasonable to the Company. Moreover, the amounts related to such transactions do not exceed the amount allowable to consider any of the related persons noted below as not being independent.

The Bank is leasing an office space in the Yigo Town Center for its Yigo Branch from Ada's Trust & Investment Inc. ("Ada's Trust"). Patricia P. Ada is a director for the Bank and the General Manager, Board Secretary and Assistant Treasurer for Ada's Trust. The Bank's initial ten-year lease for the 4000 square foot Yigo Branch began on December 1, 1996. The Bank has six options to renew the Yigo branch lease. The first three options were for five years each, the fourth option was for three years, and the fifth and sixth option are each one-year terms. The Bank exercised the fifth option effective November 1, 2023. During fiscal year 2023, the Bank paid Ada's Trust \$160,758 for rent. During the current one-year lease term, total lease payments should equal approximately \$173,935. The members of the Board other than Ms. Ada determined that these lease transactions are beneficial to the Bank and the Company, and the terms of the transactions are fair to the Bank and the Company. Assuming that such terms continue to be fair and competitive, the Bank anticipates that it may exercise the final option to renew the Yigo branch lease.

The Bank is leasing office space in the Macheche Plaza Shopping Center from Macheche Plaza Development ("Macheche"). Roger P. Crouthamel is a director and Corporate Secretary of the Company and a Managing Partner of and owns a 27% interest in Macheche. The John Kerr Grandchildren's Trust also has a 15% interest in Macheche. Roger P. Crouthamel is the Trustee for The John Kerr Grandchildren's Trust. The Bank operated its Dededo Branch in the Macheche Plaza for over 30 years but recently closed it on January 29, 2022, and is converting it into a training center. The Bank's initial ten-year lease for the 5,574 square feet began on March 30, 1990. The lease was renegotiated in 1999 to lower the rent and extend the lease for twelve years commencing June 1, 1999 and was given two options to renew the lease for five years each. In 2016, upon expiration of the first of the two options, the lease was further amended to instead provide two more options to renew the lease for 10 years each. The lease automatically renews for ten years provided the Bank does not give the landlord a notice of termination 180 days prior to the termination date. The Bank has not provided the landlord with a notice of termination. During fiscal year 2023, the Bank paid Macheche Development \$183,942 for rent and \$45,484 for common area maintenance. During the current ten-year lease term, the total lease payments should equal approximately \$2,210,648. The members of the Board other than Mr. Crouthamel determined that this lease transaction is beneficial to the Bank and the Company, and the terms of the transaction are fair to the Bank and the Company. The Bank anticipates that it may exercise the final option to renew the lease if it determines that such renewal is in the best interest of the Bank.

Additionally, the Bank has had and expects to have banking transactions in the ordinary course of business with many of the directors and executive officers of the Bank (and their associates), on substantially the same terms (including interest rates, collateral and repayment terms) as those prevailing at the time for comparable loans with persons not related to the Company. During 2023, no loan to any director or executive officer of the Company (or their associates) involved more than the normal risk of collectability or presented other unfavorable features.

Loans made by the Bank to directors and executive officers are subject to the requirements of Regulation O of the Board of Governors of the Federal Reserve System. Regulation O requires, among other things, prior approval of the Board of Directors with any "interested" director not participating and dollar limitations on amounts of certain loans, and prohibits any favorable treatment being extended to any director or executive officer in any of the Bank's lending matters. To the best knowledge of the Company, Regulation O has been complied with in its entirety.

OTHER MATTERS

If any other matters come before the Annual Meeting, not referred to in this proxy statement, including matters incident to the conduct of the Annual Meeting, the proxy holders will vote the shares represented by the proxies in accordance with their best judgment. Management is not aware of any other business to come before the Annual Meeting, and as of the date of the preparation of this proxy statement, no shareholder has submitted to management any proposal to be acted upon at the Annual Meeting.

DIRECTOR NOMINATION PROCESS AND SHAREHOLDER PROPOSALS

Shareholders may present proposals which are proper subjects for consideration at the 2025 Annual Meeting of Shareholders of the Company for inclusion in the proxy materials relating to that meeting. These proposals must be submitted in writing to the Bank of Guam, Post Office Box BW, Hagåtña, Guam 96932, Attention: Corporate Secretary. The proposals must be received by December 7, 2024, in order to be included in the proxy materials for the 2025 Annual Meeting. Any proposals of shareholders not to be included in the proxy materials and received after December 7, 2024, will be deemed to be received in an untimely fashion and proxies granted hereunder will be voted at the discretion of the persons named as proxies in the Company's proxy statement for the 2024 Annual Meeting of Shareholders.

The Company's Annual Report serves as the Bank's annual disclosure statement under Part 350 of FDIC Rules and Regulations.

By order of the Board of Directors

Corporate Secretary
